Dear Pastor,

_____, the parents of _____, have applied

for admission at Palmetto Christian Academy. The school requires that one of their Pastors provide certain information regarding their church involvement as a prerequisite to admission. We would be grateful if you would take a moment to complete this form and return it directly to the school. Your response will be kept in strict confidence. The decision to admit children to PCA is a very important decision. We realize that pastors often cannot know all the details about everyone of their parishioners, but we appreciate any information or insight that would help PCA make a very important decision. Please call PCA's Headmaster if necessary to provide a clear picture of the family.
