

**JobTitle:** Lower School STEM Teacher & Program Coordinator

**Status:** Full-time position for the 2019-20 school year

M, T, Th, F from 7:30am-3:30pm and Wednesdays from 7:30am-4pm

Instructional Day: 8:00am-3:00pm

**Prepared by/Date:** JD Zubia / March 2019

### **Position Summary**

Palmetto Christian Academy is seeking a STEM Leader with a minimum of a Bachelor's degree in Education, Mathematics, or Science, and 3 years of exemplary classroom teaching. The preferred candidate will also possess an ACSI and/or South Carolina teaching certificate, and have at least 1 year of experience in teaching STEM-related subjects in a Christian school setting.

Under the direction of the Academic Dean and Lower School Principal, this position is responsible for implementing the STEM pilot program. This position is also responsible for collaborating with teachers in promoting interdisciplinary STEM activities. In addition to teaching K-5 classes, additional activities include but not limited to: building relationships and working with community partners, research and implementing STEM related professional development opportunities for K-12 teachers, promoting the STEM program to parents and the community, and getting students involved in outside STEM related events (competitions, field trips, etc.).

Candidate for this position must demonstrate a strong, personal relationship with Jesus Christ, a passion for students, and an understanding of the principles and methodologies of effective teaching.

All applicants must be in agreement with the PCA Statement of Beliefs which can be found on the [www.palmettochristianacademy.org](http://www.palmettochristianacademy.org) website (Admissions/What We Believe).

If you believe you are qualified, we invite you to [submit an online application](#) at the link below.

Please direct your questions or resume to [Jennifer Fort](#), Principals' Executive Assistant.

### **Organizational Status**

This position reports to the PCA Lower School Principal.
